

L4 LASER HAIR REMOVAL AND SKIN REJUVENATION COURSE

WHAT IS THE LEVEL 4 CERTIFICATE IN LASER AND SKIN REJUVENATION

✓ Level 4 Certificate in Laser and Intense and skin rejuvenation Treatments is an advanced course specialising in reducing hair growth and photo rejuvenation of the skin using intense light and laser treatments.

✓ You will learn how to identify hair and skin conditions and those clients suitable for intense light and laser system treatments. Training is held in small groups, builds on existing knowledge and understanding of therapy skills and will develop an enhanced repertoire of technical skills to prepare you for employment. You will have your skills assessed in a real or realistic working environment.

✓ Million Dollar Academy provides fast track and slow track courses in a small group so you can take full benefit of this course.

✓ This qualification has been specifically designed for the 18+
